Do you need support with food in the Rochdale borough?

We are working hard in Rochdale borough to ensure food security exists so all people, at all times, have physical, social and access to sufficient, safe and nutritious food.

In partnership with the borough's Food Solution Network, Rochdale Council and Action Together we have developed this signposting resource that will help groups, individuals and families get access to food in the borough

For general information and support around food please contact: info@actiontogether.org.uk
